47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I really believe in competition and Sonic is very reasonable and great service. I was using the big guys before and I don't want to pay more for bad service. Please leave things the way they are! Their service is really important to our community. I have competitive phone service with Sonic. Some of the big companies have call centers in Asia and don't speak English well-not Sonic all local and they communicate excellently.
